## ABOUT ME

I believe design is like a good conversation - it makes you think, feel and connect. What drew me to it was how it blends logic with creativity. Through my work, I strive to create designs that engage and leave an impact. As a second year student in visual communication, I'm eager to apply my skills in real world challenges.

## SKILLS

- + Adobe Photoshop
- + Adobe Illustrator
- + Adobe InDesign
- + Figma
- + Illustrations
- + Social Media Management
- + Quick Learner
- + Organized Work Ethic
